

Kalegran (MOL) social and community support projects

Kalegran, subsidiary of MOL, operates the Akri-Bijeel block. All of these social and community support projects are budgeted by MOL's head office as donations and are unrecoverable costs. All of the projects are selected by the local authorities in the block.

2011-2012 projects (completed)		
Project	Location	Cost (USD)
Drilling of two water wells and connecting them with pipeline and tanks for mutual usage with two other villages (Cujar and Junala)	Qalati village	109,850
Renovation of Sarysada primary school and Bijeel secondary school	Bijeel subdistrict	76,706
Distribution of stationary and school bags to 800 students in six villages' primary schools in the block	Qalati, Shush, Shermen, Cojar, Junala villages	24,850
